

**TRINITY UNITED CHURCH**

**"KEEPING IN TOUCH"**

**JUNE 4, 2010**

Hello everybody (again).

Christine McKague, the Chairperson of our **Christian** Development Division, has *politely* pointed out to me that I must have been sound asleep at the switch when I sent out a short edition of "*Keeping in Touch*" earlier this evening.

The event I was trying to publicize was **NOT** the ***Teddy Bear Picnic***, which of course was held for the children on May 31.

The event on June 13 is of course our ***CHURCH FAMILY PICNIC***, a great event for the young, the maturing, the Generation Xers, parents, grandparents, and everybody in between.

So, again, see Christine on Sunday if you can help out in any way, and plan to attend.

Here at "Keeping in Touch" our motto should be "All the news that's fit to be corrected".

Brad Halls

Chairperson, Trinity Communications Division
